COMPANY INTRODUCTION

BestFreeJobs is a digital-first startup focused on providing genuine online earning opportunities through a structured referral-based business model.

Our goal is to empower individuals by offering:

- Work From Home opportunities
- Skill-based & referral-based income
- Transparent & legal compensation system

BUSINESS VISION & MISSION

Vision

To become India's most trusted online earning platform by creating sustainable digital income opportunities.

Mission

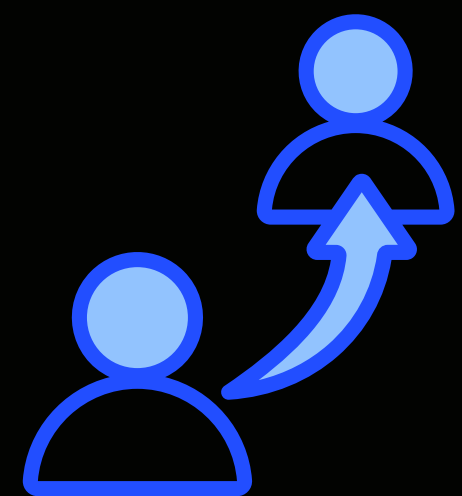

- To provide genuine earning options
- To support financial independence
- To build a strong digital community

MAIN STREAM INCOME

**20+ free
earnings
opportunities**

**Earn Monthly
0 To 10,000
Based On
Your Work**

**Ref Not
Mandatory**

Auto Ref Tool

The company will provide you with short-form videos and cover photos to post on your social media platforms individually, to attract new people to join under you. Easy to edit & Easy to earn

HOW THE MLM MODEL WORKS

BestFreeJobs follows a referral-based MLM structure.

1. User registers through a referral link
2. User becomes an active member
3. Earnings are generated through:
 - **Direct referrals**
 - **Team performance**
 - **Level-based incentives**

This is not a money circulation scheme; it's purely a digital goods-selling using a network under the Sale of Goods Act, 1930
